Press release

Horse owners and the Horse Racing Division are on the same wavelength and want the racing season to start as soon as possible. At a meeting held this Thursday 18 March at the HRD office with 12 stables' representatives, the focus was also on the amount of stakesmoney that will be paid by the MTCSL this year.

Once again, the HRD has set it out that policy matters must be addressed to competent authorities and responded positively to suggestions of arranging a meeting with all concerned parties.

Moreover, the HRD has stressed that it is waiting for MTCSL to send all documents needed by 25 March 2022 to complete its application to obtain a licence as a Horse Racing Organiser, and remains confident that the 2022 season will start whatever may happen.
