Re: Noble Salute Cup (Group 3)

Acting under rule 126 (a), the Handicapper has corrected the weight of Horse number 1, Haylor, to 59 kg in the Noble Salute Cup (G. 3), to be run this Saturday 23rd April 2022.

Haylor should have been weighted at 59 kg, which includes the 3 kg penalty for his three wins in handicap races in 2021, as opposed to the 2 kg which was allotted for his win in a Group 3 race last year.

Trainer Simon Jones has already been informed about the amendment and has agreed to run Haylor with the same declared rider.
