

EXTENSION OF CURRENT LEASE

An extension to your current lease can only be approved if all particulars within the lease extension remain identical to the current lease.

Consequently, if any **share holdings, share percentages** or **personal details** have changed, you must complete a new lease via the 'Lease a Racehorse' application form which is available on HRD website. The application to extend a current lease **must be submitted prior to the expiration of current lease.**

It is hereby agreed that the current lease of the below horse be extended as outlined below:
