

## NOTICE

### All Trainers

Your attention is drawn to the Definitions/ Interpretation of words and Phrases published as Rule 6.83 of the Rules of Racing, which categorises the person who need a Personal Management License (PML) and Rule 6.124 of the Rules of Racing, which requires the recording of all and any treatment on horses, including physical therapy.

Trainers must ensure that the racehorses under their care & control and registered with the HRD are treated by persons holding valid PML and all such treatments and veterinary interventions are accurately and timeously recorded in the Veterinary Treatment Registered.

Any violation of this Notice will render a person liable for disciplinary action.
