

### Press release

During a meeting held today at the office of the Horse Racing Division, Trainer Dominic Zaki has informed the regulator about his urgency to return to South Africa, due to the hospitalisation of an immediate family member, who needs a long-term treatment.

Furthermore, Trainer Dominic Zaki has also informed of his decision to cease all activities of his Stable for the remainder of the current season.

The movements of all horses which were under the care of Trainer Zaki will be communicated in due course.
